

## WLA Responsible Gaming & Security and Risk Management Seminar

23-24 April 2026, Shanghai, China

co-hosted by the Fudan University,

supported by the Hong Kong Jockey Club

香港賽馬會  
The Hong Kong  
Jockey Club

### Program:

This seminar will bring together international experts and industry leaders to discuss how responsible gaming frameworks, risk-based controls, and governance innovation can safeguard sustainable growth in today's dynamic lottery environment.

Through expert discussions, case sharing, and forward-looking dialogue, the seminar will examine how lotteries can strengthen trust, safeguard players, and modernize their governance systems for the next decade of responsible and secure industry development.
